

News in Brief

The Indian National Group of the IABSE is organizing a Seminar on “Steel Structures – Design and Fabrication” at Lucknow some time in August 2010. The exact date and venue of the seminar will be communicated in due course of time.

The seminar will be of five sessions covering each theme in one session as per themes and programme as under:

Technical Session-I “Design Codes and Practices/Standards”

Technical Session-II “Analysis”

Technical Session-III “Fabrication & Erection”

Technical Session-IV “Maintenance”

Technical Session-V “Case Studies”

Technical papers under various themes are invited for inclusion in the Seminar Report. The paper should be neatly printed including figures, tables etc. on A4 size paper with 25 mm margin on all side using 12 size Font (NEW TIMES ROMAN) typed on one side only in available area.

Those who are interested to contribute a paper, kindly send their paper (maximum 9 pages plus one cover sheet) **by 31st May 2010 at the following address**. Selected authors will be invited to present their papers in the Seminar.
